

I will meet you in the morning by the bright riverside
When all sorrow has drifted away
I'll be standing at the portals when the gates open wide
At the close of life's long dreary day

I'll m-eet you in the morning
With a h-ow do you do
And we'll sit down by the river
And with rapture our auld acquainttance re-new
You'll know me in the morning
By the smiles that I wear
When I meet you in the morning
In the city that is build four square

I will meet you in the morning in the sweet by and by
And exchange the old cross for a crown
There will be no disappointments and nobody shall die
In that land e're the sun goeth down

I will meet you in the morning at the end of the way
On the streets of that city of gold
Where we all can be together and can be happy for aye
While the years and the ages shall roll
